We are sorry that you are dissatisfied with your order. Please print out and include this form together with the item that you are returning. This will allow us to process the return according to your wishes.

This RMA has been issued by B&H for the return of the item listed below. Any other items which were included in your order are not covered by this RMA.

This RMA must be postmarked within 10 days from when it is issued.

Please note: It usually takes 2 to 3 business days from carrier delivery for your return to show as received in our system. At that time, you will receive another email indicating that we received your return.

Please attach this label to the box that you are returning.

A return shipping label has been provided for your convenience. If you choose to use it, \$9.56 will be deducted from your return. Sales tax may be deducted as well, depending on your state.

You may find a FedEx drop off location at [fedex.com/locate](https://www.fedex.com/locate)

Please note: This label is intended for the items included in this RMA only. Additional items added to this package may increase the return fee.

Alternatively, you may pay for the return shipping yourself and send it back with the carrier of your choice. If doing so, we strongly recommend sending it back using a track-able and insured shipping option.
